

# TECH BOOST GRANT PROGRAM

## ABOUT THE GRANT

The Tech Boost is a reimbursement program designed to help small businesses in Northeast Minnesota adopt new technologies that will help them thrive!

Northland Small Business Development Center's Technology Expert Consultants will help you evaluate your options and find solutions that will work for your small business.

Up to \$1,000 of grant funding is available to help small businesses invest in technology related improvements.

Eligible equipment/services can be reimbursed for 2/3 of the purchase cost up to a maximum amount of \$1,000 per business

**THIS PROGRAM HAS LIMITED FUNDING. SIGN UP TODAY!**
