Dear Mayor and City Councilor Members:

I am pleased to submit the 2022 International Falls Police Department Annual Report to you and residents of International Falls. This report contains a summary of the events and operations the Police Department undertook in 2022.

2022 was a year of change and innovation with the International Falls Police Department. We completed our goal of assessing and reconceptualizing the personnel in the department. This has meant new roles such as Records Management/Evidence Specialist, School resource Officer, Police Investigator, and Police Deputy Chief have been added to our ranks. These additions have further streamlined our operational capacity and supplemented our department to achieve our public safety goals. Further innovation was made in our Health & Wellness program, Drug task Force/Emergency Response Team, and online presence. Please refer to the respective section for a more in-depth analysis of each area.

I hope that this report gives you a clearer understanding of the importance of our department and the direction we are heading. We believe the future of policing lies in reaching public safety goals by utilizing both traditional and non-traditional policing. The IFPD will continue to place importance on public safety, community policing, and proactive police work while also ensuring our resources are allocated in the most responsible means.

This report provides a brief snapshot of the International Falls Police Department. I would encourage all who are interested to speak with me further with any questions or suggestions.

Chief Michael Kostiuk

Mission Statement

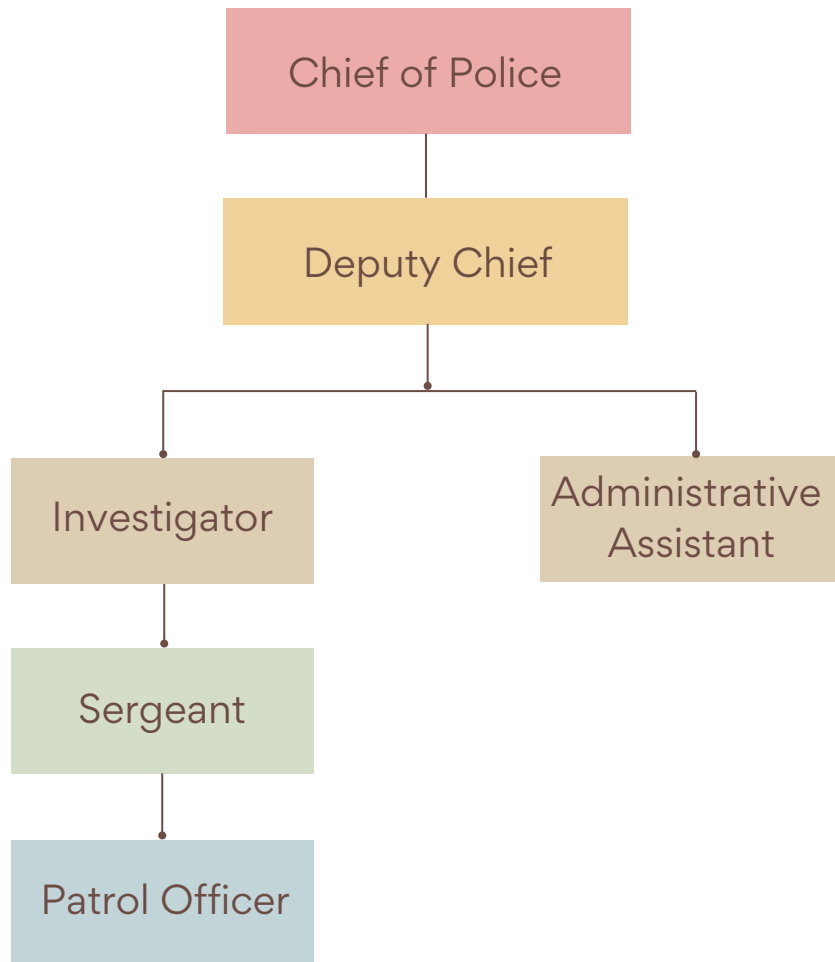

The mission of the International Falls Police Department is to protect and serve the community of International Falls with fairness, compassion, and empathy. Our public service model is designed to increase public safety, citizen confidence, and citizen satisfaction through proactive policing and strong community relationships.

Core Values

- **Accountability**- We realize the responsibility instituted in the positions we have as law enforcement officers in the community. We also realize that there is an expectation that officers are trustworthy, dependable, and fair in dealing with all individuals and circumstances.
- **Integrity**- Integrity is defined as the quality of being honest and having strong moral principles. Officers will carry out their duties with integrity in a transparent manner.
- **Stewardship**- Though our service in these positions may be temporary, we have a responsibility to maintain the honor and dignity of them. We will be committed to leaving all situations better than we have found them.
- **Excellence**- We will perform our duties to the best of our ability while also helping others realize their potential.

International Falls Police Department Organizational Chart

Staffing

The International Falls Police Department is staffed by twelve full-time licensed police officers, six dedicated part-time licensed police officers, and one part-time administrative assistant. Our street level operations are staffed at all times with a Sergeant and up to two Patrol Officers. In addition to their standard duties, IFPD Officers fulfill other roles to achieve our mission and goals. For your reference I have given an abbreviated listing of additional duties outlined below. A key goal of this administration is the creation of lines of succession. You will note duties mirrored at various command levels. It is important that all levels of this department contribute to the mission and goals, and provide alternative input not normally observed. Additionally, the ranks of Deputy Chief, Investigator, and School Resource Officer were added in 2022.

2022 Statistics & Noteworthy Incidents

We responded to 5,437 Calls for Service (CFS), of which 1,060 required reports. Officers made 1,120 traffic stops and issued 527 citations. A comprehensive graphing of the statistical data is available in the appendix at the end of this report. Officers initiated one traffic pursuit. The police department received five citizen-initiated complaints against officers.

-On August 4th Sergeant Justin Franz, Officer Bryan Franko, and Officer Ryan Stenson responded to a watercraft accident to assist the Koochiching County Sheriff's Office. Medical authorities stated that without the life-saving efforts of these IFPD Officers the two victims would not have survived. The officers received a Life-Saving Letter of Commendation and Life-Saving Commendation Bar for their valiant efforts.

-On October 17th Officer Logan Hulst and Officer Kane Kostiuk responded to a house fire with an occupant inside. The officers immediately entered the fully engulfed structure and rescued the occupant and also escorted two others near the fire to safety. The officers received a Life-Saving Letter of Commendation and Life-Saving Commendation Bar for their bravery.

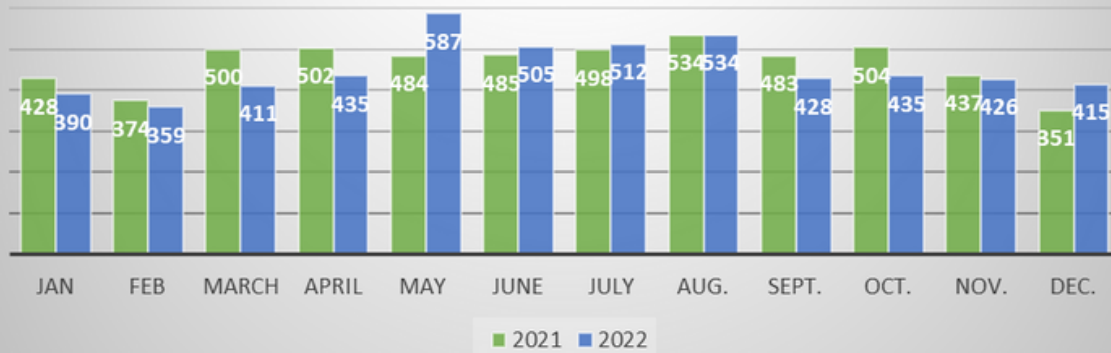

-On September 21st officers were dispatched to the Falls High School on a report of an active shooter who had injured several people. School Resource Officer Joshua Ballejo responded to the threat and immediately ascertained it was unfounded.

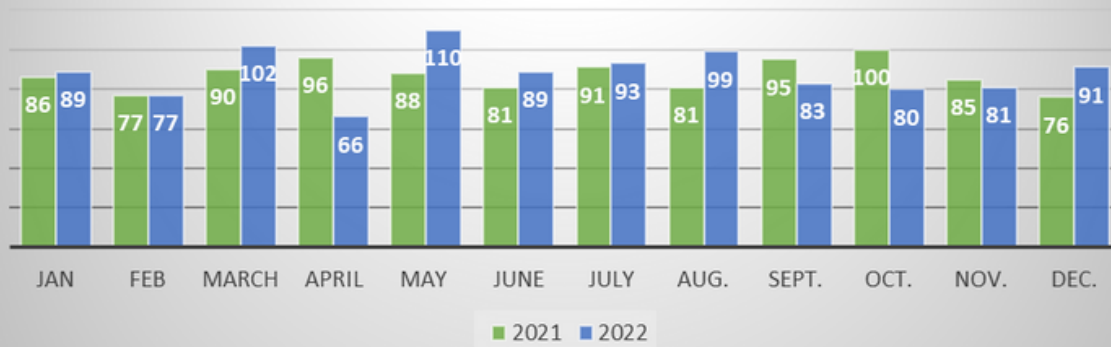

-Investigator Josh Mastin was awarded a Letter of Commendation for his unparalleled narcotics investigations. Specifically, this year Mastin coordinated with the Federal Bureau of Investigations, Minnesota Bureau of Criminal Investigations, and Paul Bunyan Task Force to execute a search warrant which yielded approximately ten pounds of methamphetamine and several firearms.

Community Policing Initiative

The concept of community policing remains integral to our service to the City of International Falls. The following is a brief synopsis of our yearly activities:

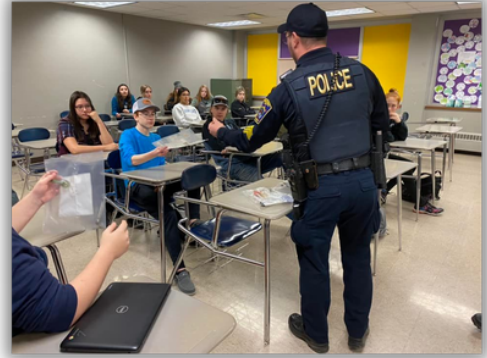

The IFPD hosted the Boy Scouts and demonstrated crime scene processing techniques.

Despite a grueling training regimen, the Law Enforcement hockey team suffered another defeat at the hands of the Pee-Wee A and the Girls10U teams.

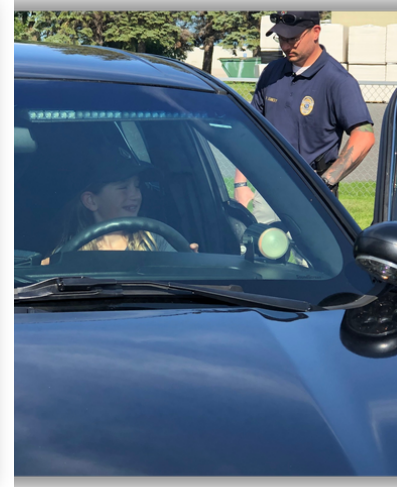

Investigator Mastin and Sergeant Kennedy conducted a presentation at Falls High School on the dangers of narcotics.

The IFPD obstacle course, overseen by Sergeant Wherley and Officer Offerdahl, made its first appearance the July 4th Celebration.

We marked our fifth annual National Night Out with record-breaking attendance. The event continues to expand and has become a reflection of what effective community policing can accomplish.

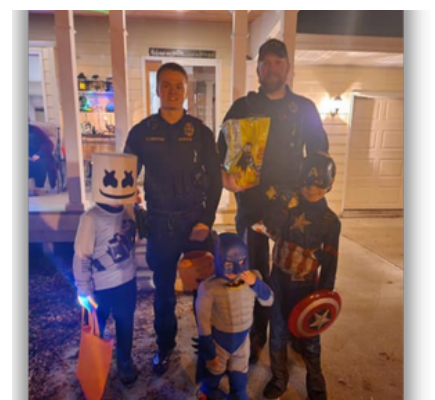

The IFPD began a partnership with Dunkin Donuts and Special Olympics Minnesota with our presence at the Cop on a Rooftop, which raised nearly \$1000 for the athletes.

Officers continued our Halloween tradition of handing out candy at the FHS Trick or Treat Hallway.

Foot patrol through high traffic areas on Halloween provided both safety and treats for the community.

Investigations

The ever-evolving nature of criminal activities is a constant challenge in law enforcement. In 2022 the police department created and instituted the rank of Investigator, promoting Sergeant Joshua Mastin and expanding the investigative capabilities of the department. Several high-profile, complex investigations occurred during 2022 and the trend is expected to continue. These cases can span several months and require an investigations unit that can coordinate functions with various individuals and agencies to successfully complete. We can expect this area of our department to experience extreme growth in the coming years.

The IFPD recognizes the impact drugs can have on our community. They are frequently the root causes of many of crimes in cities. In 2018 we entered into a partnership with the Paul Bunyan Task Force and assigned an officer to combat this issue. This has allowed us to trace drug activity to outside jurisdictions and assist other agencies. As a result, we have prevented many narcotics from coming to the area. Further, if we consider the correlation between crimes and drugs, the need for drug interdiction is obvious. In 2022 the IFPD Drug Task Force/Emergency Response Team was created. This team expands the ability of the department to conduct complex investigations and respond to evolving needs of today's law enforcement.

The IFPD has created partnerships with many agencies to accomplish our mission. In 2022 investigations were coordinated with the Minnesota Bureau of Criminal Apprehension (MN BCA), Federal Bureau of Investigation (FBI), South Dakota Law Enforcement Agencies, the Lake Superior Drug Task Force, and the United States Postal Services (USPS). These alliances have resulted in methamphetamine, fentanyl, cocaine, and other dangerous narcotics taken off of the streets in a variety of jurisdictions.

Officer Wellness Initiative

The Officer Wellness Initiative is a tri-level approach to overall wellness, recognizing the physical, psychological, and spiritual aspects of well-being.

The IFPD Fitness Center was completed on schedule in the Spring of 2022. Funding for the project was made possible through our forfeiture funds. These funds, gained through drug seizures and other proactive activities, will provide officers with an environment in which they can become healthier.

Providing mental health services to officers has been a priority of this administration. The mental wellness aspect of the Wellness Initiative began in 2022. Communication began with professional services to begin offering extensive mental health assistance for officers that will begin in 2023. Sergeant Justin Franz attended a Peer Support training which will allow officers to speak with a colleague on mental wellness issues, offering another branch of support for our officers.

Groundwork was also laid in the chaplain program. This program will offer our employees access to a non-denominational local chaplain twenty-four hours a day. This will provide additional help and bolster our existing workplace wellness Employee Assistance Plan (EAP).

Department Advancements

- Continuing our dedication to stay on the forefront of public service, the IFPD expanded the non-lethal options available to our officers. In 2022 we implemented the less-lethal munitions program into use. This program gives officers another option on the force continuum, furthering our commitment to officer and citizen safety.
- With our firearms reaching the end of their replacement cycle life, the IFPD has begun the process of adopting the 9mm Glock firearm which will replace the current .40 caliber Glock. During this process we will also adopt the 9mm handgun uniformly to ensure consistency.
- The IFPD website has undergone extensive restructuring, offering a more user-friendly experience.
- The department received 12 state of the art Automated External Defibrillators (AEDs) through a grant from the University of Minnesota, with a total savings to the city of nearly \$30,000.
- Our continued participation with the U.S Customs and Border Patrol “Operation Stonegarden” grant allowed the IFPD to purchase new portable radios for each officer, with a total savings to the city of approximately \$15,000.
